Building Solutions Chief Executive Officer announcement

DALLAS, TX (September 17, 2019) – Building Solutions announces Bill Keslar has been named President/Chief Executive Officer.

Bill founded Building Solutions in 1990, following roles as an officer in major engineering, and contracting firms, as well as commercial property management. The company grew through advising investors who were acquiring high-profile commercial office and mixed-use assets nationwide in the 1990's. In the following decades, they expanded their practice to serve education, religious and cultural institutions in 38 states. Their service offerings now include condition assessment and strategic financial management of real estate assets, development and construction management of new and repurposed buildings, and consulting services to enhance facility operations. In 2020, Building Solutions will celebrate its 30th year anniversary.

As a volunteer, Bill has served as President of Preston Center Rotary Club and the Dallas Chamber Orchestra boards and has served as a trustee and volunteer advisor to Ursuline Academy of Dallas, Good Shepherd Episcopal School, and St. Philip's School and Community Center.

Building Solutions is a technical advisor to real estate owners, operators, and investors providing facility condition assessments and condition audits, project management of building development, and re-development and consulting to building operators on maintenance programs, sustainability improvements, and major capital replacements. The company serves real estate investors and developers, as well as institutional clients, such as private schools, churches, and municipalities.
